and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. One hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

BURNABY BY-LAWS.

A BY-LAW

To authorise the Sale of Land within the Municipality of the Township or District of Burnaby upon which Taxes have been Due and in Arrear for Two Years prior to the passing of this By-Law.

WHEREAS it is expedient that all lands or improvements or real property within the limits of the Municipality of the Township or District of Burnaby upon which Municipal Taxes have been due and in arrear for two years prior to the passing of this by-law, shall be sold and the proceeds applied in the reduction of such taxes:

Be it therefore enacted by the Reeve and Council of the Township or District of Burnaby as follows:—

1. The Collector of the Municipal Council of the Township or District of Burnaby is hereby authorised and directed whensoever such taxes on any lands, or improvements or real property have been due for two years prior to the passing of this by-law, to submit to the Reeve of the Township or District of Burnaby a list, in duplicate, of all lands, or improvements or real property liable under the provisions of this by-law to be sold for taxes, with the amount of arrears against each lot set opposite to the same, and the Reeve shall authorise such list by affixing thereto the seal of the Municipality and his signature, and one of such lists shall be deposited with the Clerk of the Municipality, and the other shall be returned to the Collector, with a warrant thereto annexed under the hand of the Reeve and the seal of the Municipality, commanding him to levy upon the land, or improvements or real property for the arrears due thereon, with costs, Collector's commission authorised by this by-law, and contingent expenses.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands, or improvements or real property for taxes, to ascertain whether or not there is any distress upon the lands, nor shall he be bound to inquire into or form any opinion of the value of the land, or improvements or real property.

3. The Collector shall prepare a copy of the lists of lands, or improvements or real property to be sold, and in such list shall be scheduled in separate columns:—

(1.) The amount of taxes unpaid up to the date of the passing of this by-law:

(2.) The Collector's commission authorised by this by-law to be paid to him, and contingent expenses of sale; and

(3.) The total amount of taxes and costs for which the property is liable to be sold.

And the Reeve shall authenticate such list by affixing thereto the seal of the Municipality and his signature; and the Collector shall cause a copy of the last-mentioned list to be published for at least a period of one month preceding the date of such intended sale in some weekly newspaper circulating in the Municipality of Burnaby.

4. The advertisement shall contain a notification that unless the arrears and costs are sooner paid, he

will proceed to sell at public auction the lands, improvements or real property for taxes, on a day, a time, and at a place named in the advertisement; but it shall not be necessary for such advertisement to state whether the lands offered for sale are patented or unpatented.

5. The Collector shall, at least two months before the time of sale, deliver or cause to be delivered to the registered owners and holders of charges on each parcel of land contained in said list, a notice in writing signed by him of the sale and the consequences thereof, and of the amount of taxes due on such parcel and for which said parcel is being sold, and the amount of commission and expenses charged against each parcel. In case personal service cannot be effected upon any person entitled thereto hereunder, then substituted service upon such person shall be effected in such manner as any Judge of the Supreme Court may direct, and the cost of obtaining such direction shall be added to the cost of sale charged against that parcel of the land in respect of which such direction is obtained. He shall also, at least two months before the time of sale, post a similar notice in writing, and so signed, in some convenient public place within the Municipality, such as the front door of the Council Chambers of the Municipality or other conspicuous place.

6. The day of the sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on a Sunday or holiday, in such case such sale shall take place on the following day at the place and hour set out in the advertisement mentioned in paragraph 4 hereof.

7. If at any time appointed for the sale of the lands, or improvements or real property, no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes due on any lands, or improvements or real property contained in such list, and Collector's commission thereon, and legal expenses incurred in connection with the sale under this by-law, and chargeable thereto, have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the lands, or improvements, or real property as may be sufficient to discharge the taxes, interest thereon, and all lawful charges incurred in and about the sale and collection of the taxes, selling in preference such part as he may consider best for the owner to sell first, and in offering such land, or improvements, or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be *prima facie* evidence of the correct amount due.

9. If the Collector fails at such sale to sell such lands, or improvements, or real property for the full amount of the arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week, nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such land, or improvements, or real property for any sum he can realise: Provided that in the event of the price offered for any lands, or improvements, or real property at such adjourned sale being less than the amount of the arrears of taxes due in respect of such land, or improvements, or real property, the Collector shall have power, if he thinks fit so to do, to purchase such lands, or improvements, or real property in the name of and on behalf of the said municipality.

10. If the purchaser of any land or improvements, or real property at such sale fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put the property up for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Municipality, and shall at the same time pay the proceeds to the Treasurer of the said Municipality.

12. The Collector shall be entitled to five per centum for commission upon all sums collected by him as aforesaid.

13. This by-law may be cited for all purposes as the "Burnaby Real Estate Tax Sale By-law, 1898."

Passed the Municipal Council the third day of September, A. D. 1898.

Reconsidered, adopted and finally passed the Council this tenth day of September, A. D. 1898.
